

# LATINA/LATINO STUDIES BA + ETHNIC STUDIES MA SF STATE SCHOLARS ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

**This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.**

<sup>1</sup> ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

<sup>3</sup> **Complementary Studies**

Students completing a Bachelor of Arts in Latina/Latino Studies must complete at least 12 units in Complementary Studies with a prefix other than LTNS, and not cross-listed with LTNS. These units may be in

- a. Spanish or another Latin American Language;
- b. one course from each of these prefixes: AAS, AFRS, AIS, and RRS;
- c. 12 units in one of the prefixes AAS, AFRS, AIS, or RRS;
- d. partial completion of a minor, or partial completion of a certificate;
- e. a study abroad program in Latin America; or
- f. upon advisement, a coherent group of courses complementary to the major.

With the approval of an advisor in the major, courses which fulfill the Complementary Studies requirement may be lower- or upper-division units, resident or transfer units.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about

how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

<sup>5</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
