Bachelor of Arts in Child & Adolescent Development: Concentration in Early Care and Education – CAD Associate Degree for Transfer (ADT) Roadmap

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with an AA-T in Child and Adolescent Development. Three units in the major [CAD 210] and all lower-division GE requirements have been satisfied. Check with a major advisor about the most appropriate course sequence. Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (http://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/).

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University Wide Requirements: 9-15 units
- Upper-Division GE, Areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Child and Adolescent Development are not required to fulfill SF State Studies requirements.
- Completion of major requirements as stated above includes completion of Complementary Studies.

CAD major (Concentration in School Age Child and Family): 42 units
CAD 210 met in transfer
- Core (21 units): Includes GWAR
- Concentration (21 units)
- Minimum grade of C or better required for all courses in the major.

University Electives: 6 or more units
Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State - some courses may meet more than one requirement, e.g. both in UD GE and the major.
