B.A. IN CHILD AND ADOLESCENT DEVELOPMENT: CONCENTRATION IN EARLY CARE AND EDUCATION, M.A. IN SPECIAL EDUCATION, AND EXTENSIVE SUPPORT NEEDS CREDENTIAL ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor’s and master’s degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master’s degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

---

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

3. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

4. Complementary Studies

  To fulfill the Complementary Studies requirement, all students completing a B.A. degree must take 12 units from courses outside of the primary prefix of their major and not cross-listed with the primary prefix for the major. This requirement is automatically fulfilled when completing a Child and Adolescent Development major. Students may need to take additional units, however, to reach the 120 minimum units required for graduation.

5. CAD 230 is a prerequisite of CAD 330.

6. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

7. Two upper-division SPED courses recommended: one at 300 level and one at 600 level. Select from the EC concentration:

   - SPED 330 Introduction to Disability (3 units) (UD-D, SJ)
   - SPED 370 Young Children Disabled or At Risk and Their Families (3 units) (UD-D)
   - SPED 620 The Science of Early Intervention (3 units) (UD-B, ES, SJ)

   - SPED 672 Inclusive Learning Environments for Young Children (3 units)
   - SPED 675 Working with Families of Young Children with Disabilities (3 units) (UD-D, SJ)

8. Elementary Education Course Policy: 30 hours observation/participation outside the classroom are required for Elementary Education courses (E ED). If a student takes more than one Elementary Education course per semester, 30 hours are the maximum total required and will cover all Elementary Education courses taken in that specific semester.

9. Supporting Development and Learning Courses

   - E ED 600 Advanced Issues in Child Development and Learning (3 units)
   - E ED 603 Understanding and Supporting Children’s Socio-Emotional Development (3 units) (UD-D, AERM, SJ)
