Total Units 120-122

1 ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2 To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

3 To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

4 Complementary Studies
To fulfill the Complementary Studies requirement, all students completing a B.A. degree must take 12 units from courses outside of the primary prefix of their major and not cross-listed with the primary prefix for the major. This requirement is automatically fulfilled when completing a Child and Adolescent Development major. Students may need to take additional units, however, to reach the 120 minimum units required for graduation.

CAD 230 is a prerequisite of CAD 330.

5 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

6 Two upper-division SPED courses recommended: one at 300 level and one at 600 level. Select from the EC concentration: SPED 330 Introduction to Disability (3 units) (UD-D, SJ) SPED 370 Young Children Disabled or At Risk and Their Families (3 units) (UD-D) SPED 620 The Science of Early Intervention (3 units) (UD-B, ES, SJ) SPED 671 Positive Behavior Support for Young Children (3 units) SPED 672 Inclusive Learning Environments for Young Children (3 units) SPED 675 Working with Families of Young Children with Disabilities (3 units) (UD-D, SJ)
