

BACHELOR OF ARTS IN CHILD AND ADOLESCENT DEVELOPMENT: CONCENTRATION IN YOUTH WORK AND OUT OF SCHOOL TIME

Last Admit Term: Fall 2022

As of Spring 2022, the Bachelor of Arts in Child and Adolescent Development: Concentration in Youth Work and Out of School Time has become the Bachelor of Arts in Child and Adolescent Development: Concentration in Community, Health, and Social Services (<http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-community-health-social-services/>).

Concentration in Youth Work and Out of School Time

The Youth Work and Out of School Time concentration prepares students to work with children from birth through early adulthood and their families in community, health, and social service settings and/or for advanced degrees and professional programs.

Courses in the major must be completed with a grade of C or higher. CR/NC grading is not accepted.

Program Learning Outcomes

1. To promote and advocate for social justice and be culturally aware, sensitive, and responsive in the context of CAD.
2. To understand the professional roles and responsibilities in the field of CAD in a variety of work settings.
3. To apply developmental, learning, and cultural theories used in the context of the field.
4. To communicate clearly, respectfully, persuasively, coherently, and powerfully in the context of CAD, including but not limited to working with children, families, and colleagues.
5. To write clearly, cohesively, and persuasively in the CAD genre in a variety of formats, including but not limited to reports, policy analyses, assessments, and proposals.
6. To understand research methods, assessment, evaluation, and data collection, analysis, and reporting; to conduct action research in the context of CAD.
7. To be able to locate and utilize a variety of appropriate and relevant resources and technologies in the context of CAD.

All courses for the major must be completed with a grade of C or better. CR/NC grading is not accepted.

Core Requirements – 24 units

Code	Title	Units
CAD 210	Introduction to Applied Child and Adolescent Development	3
CAD 260	Children, Families, and Community: An Ecological Perspective	3
CAD 300	Professional Roles and Careers in Child and Adolescent Development	3
CAD 410	Applied Developmental Science: Prenatal Through Early Childhood	3
CAD 411	Applied Developmental Science: Middle Childhood through Emerging Adulthood	3
CAD 500GW	Research Methods in Child and Adolescent Development - GVAR	3
CAD 625	Children, Youth, and Public Policy	3
CAD 660	Applied Advanced Developmental Science in Child and Adolescent Development	3

Families & Context (6 units)

Select Two:

Code	Title	Units
AFRS 515	Black Family Studies	3
CAD 223	Infants, Toddlers, and Families	3
CAD 450	Understanding and Working with Diverse Families	3
CAD 550	Child Life: Theory and Application	3
CAD 560	Loss and Grief: Children, Youth, Families and Community	3
CAD 685	Projects in the Teaching of CAD	1-4
FCS 426	Family Stress, Coping, and Resilience	3
HIST 484	Disability and Culture in the U.S.	3
RRS 480	Youth Culture, Race and Resistance	3
SPED 620	The Science of Early Intervention	3

Community Youth Development (3 units)

Code	Title	Units
CAD 400	Community Youth Development	3

Concentration Electives (12 units)

Select 12 units from the following courses:

Code	Title	Units
AA S 584	Asian American Sexualities	3
AA S 591	Asian American Community Health Issues	3
AIS 470	American Indian Ethnicity: Problems in Identity	3
AFRS 525	Black Child Development	3
AFRS 678	Urban Issues of Black Children and Youth	3
BIOL 330	Human Sexuality	3
COUN 691	Multicultural Human Relations	3
C J 470/SOC 452	Juvenile Justice	4
C J 471	Contemporary Issues in Juvenile Justice	3
C J 475	Intervention Policies in Juvenile Justice	3
C J/LTNS 485	Latina/o Youth, Crime, and Justice	3
I R 259	Children and Youth in International Relations	4

IR/GPS/PHIL 315	Introduction to Global Peace Studies	3
LS 402	Introduction to Human Rights Education for Teachers and Local Communities	3
LTNS 500	Latina/o Community Mental Health	3
LTNS/WGS 505	Gender, Sexuality, and Latino Communities	3
LTNS/RRS/SOC 580	Educational Equity	3
PH 315	Drugs and Society	3
PH 320	Contemporary Sexuality	3
PH 455	Community Organizing and Community Building for Health	3
PSY 430	Adolescent Psychology	3
PSY 433	Social, Emotional, and Personality Development	3
PSY 435	Behavior Problems of Children	3
PSY/SXS 456	Psychology of Human Sexual Behavior	3
RPT 280	Developmental Play Processes	3
RPT 300	Leadership in Recreation, Parks, and Tourism	3
RPT 340	Conference, Event Planning, and Management	3
RPT/SOC 410	Therapeutic and Inclusive Recreation	3
RPT 440	Urban Recreation and Parks	3
RRS 303	Health and Wellness among Pacific Islanders	3
RRS/SXS 380	Coloring Queer: Imagining Communities	3
RRS 410	Grassroots Organizing for Change in Communities of Color	3
RRS 420	Arab American Identity: Memory and Resistance	3
RRS 571	Women, Class, and Race	3
SOC/RRS 330	Comparative Race and Ethnicity in the U.S.: Class, Gender, and Nation	3
SOC 469	Gender and Society	4
SPED 330	Introduction to Disability	3
SPED 691	Autism in the Contemporary World	3
S W 350	Services to Children, Youth, and Their Families	3
SXS/SOC 400/PSY 450	Variations in Human Sexuality	3
SXS 567/ANTH 569	Cross-Cultural Aspects of Sex and Gender	3
USP 515/ GEOG 667	Environmental Justice: Race, Poverty, and the Environment	4

Complementary Studies

To fulfill the University's Complementary Studies requirement, all students completing a B.A. degree must take 12 units from courses outside of the primary prefix of their major and not cross-listed with the primary prefix for the major. This requirement is automatically fulfilled when completing the Child and Adolescent Development degree. However, students may need to take additional units to reach the minimum of 120 units for graduation.

General Education Requirements

Requirement	Course Level	Units	Area Designation
Oral Communication	LD	3	A1
Written English Communication	LD	3	A2

Critical Thinking	LD	3	A3
Physical Science	LD	3	B1
Life Science	LD	3	B2
Lab Science	LD	1	B3
Mathematics/Quantitative Reasoning	LD	3	B4
Arts	LD	3	C1
Humanities	LD	3	C2
Arts or Humanities	LD	3	C1 or C2
Social Sciences	LD	3	D1
Social Sciences: US History	LD	3	D2
Lifelong Learning and Self-Development (LLD)	LD	3	E
Ethnic Studies	LD	3	F
Physical and/or Life Science	UD	3	UD-B
Arts and/or Humanities	UD	3	UD-C
Social Sciences	UD	3	UD-D

SF State Studies

Courses certified as meeting the SF State Studies requirements may be upper or lower division in General Education (GE), a major or minor, or an elective.

American Ethnic and Racial Minorities	LD or UD	3	AERM
Environmental Sustainability	LD or UD	3	ES
Global Perspectives	LD or UD	3	GP
Social Justice	LD or UD	3	SJ

Note: LD = Lower-Division; UD = Upper-Division.

First-Time Student Roadmap (4 Year)

1. In order to choose your English Composition A2 course and your QR/Math B4 course, please complete the online advising activities at writingadvising.sfsu.edu (<https://writingadvising.sfsu.edu/>) and mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)
2. Select the row that matches your English course choice for A2.*
3. Select the column that matches your QR/Math course choice for B4.
4. Click the Roadmap that lines up with your row and column.

For example, if you select ENG 104/ENG 105 and a multi-semester QR/math sequence for your first year, then choose Roadmap D.

Course Choice	One-Semester Course	Two-Semester Sequence or Support Course
ENG 114	Roadmap A (http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/roadmap-i-ii-eng/)	Roadmap C (http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/roadmap-iii-iv-eng/)
ENG 104/ENG 105	Roadmap B (http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/roadmap-i-ii-stretch/)	Roadmap D (http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/roadmap-iii-iv-stretch/)

* Composition for Multilingual Students: If taking ENG 209 as your first English course, choose the ENG 114 row. If taking ENG 201 or ENG 212 for your first English course, choose the ENG 104/ENG 105 row.

Transfer Student Roadmaps (2 Year)

For students with an AA-T in **Child and Adolescent Development**. [This roadmap opens in a new tab \(http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/cad-adt-roadmap/\)](http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/cad-adt-roadmap/).

For students with an AS-T in **Early Childhood Education**. [This roadmap opens in a new tab \(http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/ece-adt-roadmap/\)](http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/ece-adt-roadmap/).

For students with an AA-T in **Elementary Teacher Education**. This roadmap opens in a new tab. (<http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-youth-work-out-of-school-time/ete-adt-roadmap/>)

This degree program is an approved pathway (“similar” major) for students earning the ADT in Child and Adolescent Development or Early Childhood Education

California legislation SB 1440 (2009) mandated the creation of the Associate Degree for Transfer (ADT) to be awarded by the California Community Colleges. Two types of ADTs are awarded: Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T).

Note: no specific degree is required for admission as an upper-division student. However, the ADT includes specific guarantees related to admission and graduation and is designed to clarify the transfer process and strengthen lower-division preparation for the major.

An ADT totals 60 units and in most cases includes completion of all lower-division General Education requirements and at least 18 units in a specific major. (The Biology, Chemistry, and Environmental Science AS-T degrees defer 3 units in lower-division GE area C and 3 units in lower-division GE area D until after transfer.) Students pursuing an ADT are guaranteed admission to the CSU if minimum eligibility requirements are met, though not necessarily to the CSU campus of primary choice.

Upon verification that the ADT has been awarded prior to matriculation at SF State, students are guaranteed B.A. or B.S. completion in 60 units if pursuing a “similar” major after transfer. Determinations about “similar” majors at SF State are made by faculty in the discipline.

Degree completion in 60 units cannot be guaranteed when a student simultaneously pursues an additional major, a minor, certificate, or credential.

A sample advising roadmap for students who have earned an ADT and continue in a “similar” major at SF State is available on the Roadmaps tab on the degree requirements page for the major. The roadmap displays:

- How many lower-division units required for the major have been completed upon entry based on the award of a specific ADT;
- Which lower-division requirements are considered complete upon entry based on the award of a specific ADT;
- How to complete the remaining 60 units for the degree in four semesters.

Students who have earned an ADT should seek advising in the major department during the first semester of attendance.

General Advising Information for Transfer Students

1. Before transfer, complete as many lower-division requirements or electives for this major as possible.
2. The following courses are not required for admission but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
 - a course in U.S. History
 - a course in U.S. & California Government

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit <http://www.assist.org> (<http://assist.org>). Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower-division major requirements for this major;
- Which courses at a CCC satisfy CSU GE, US History, and US & CA Government requirements.

Remedial courses are not transferable and do not apply to the minimum 60 semester units/90 quarter units required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper-division transfer (for example, if a course was not passed on the first attempt or was taken to earn a better grade).

Before leaving the last California Community College of attendance, obtain a summary of completion of lower-division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering, and mathematics (STEM) disciplines often defer 6-9 units of lower-division General Education in Areas C and D until after transfer to focus on preparation courses for the major. This advice does not apply to students pursuing associate degree completion before transfer.

Transferring From Institutions Other Than CCCs or CSUs

Review SF State's lower-division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State's lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All Students Must Meet the Transfer Eligibility Requirements Outlined Below for Admission.

For more information, visit the Undergraduate Admissions section (<http://bulletin.sfsu.edu/undergraduate-admissions/>).

- Complete 60 or more transferable semester units or 90 or more quarter units.
- Earn a college grade point average of 2.0 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
- Be in good standing at the last college or university attended.
- Complete 30-semester units (45-quarter units) of General Education, including four basic skills courses:
 - a. One course in oral communication (same as CSU GE Area A1)
 - b. One course in written composition (same as CSU GE Area A2)

- c. One course in critical thinking (same as CSU GE Area A3)
 - d. One course in mathematics or quantitative reasoning (same as CSU GE Area B4)
- The four basic skills courses and a minimum of 60 transferable semester units (90-quarter units) must be completed by the spring semester prior to fall admission, or by the fall semester prior to spring admission. Earn a C- or better grade in each basic skills course.
