

# BACHELOR OF SCIENCE IN PUBLIC HEALTH – PHS ASSOCIATE DEGREE FOR TRANSFER (ADT) ROADMAP

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with an AS-T in Public Health Science. Thirteen units in the major (BIOL 100, BIOL 101, MATH 124, PH 205, and PH 210) and all lower-division GE requirements have been satisfied. Additional units in the major may have been satisfied. Check with a major advisor about the most appropriate course sequence. **Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (<http://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/>).**

## To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

### University-Wide Requirements: 9-15 Units

- American Institutions (0-6 units): US History, US Government, California State and Local Government requirements if not met pre-transfer.
- Upper-division GE (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AS-T in Public Health are not required to fulfill SF State Studies or Complementary Studies requirements.

### Public Health Major: 45 Units

BIOL 100, BIOL 101, MATH 124, and PH 205 met in transfer.

- Foundation (3 units): PH 100 or BIOL 210
- Core: 36 units
- Electives: 6 units. PH 210 met in AS-T. Note: PH 221 equivalent may have been met in AS-T.

### University Electives: 3 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., UD GE and the major.

Course	Title	Units
<b>First Semester</b>		
Select One (Major Foundation):		3
BIOL 210	General Microbiology and Public Health	
PH 100	Public Health Biology	
PH 400GW	Determinants of Health - GVAR (Major Core)	3
PH 410	Public Health Systems (Major Core)	3
PH 425	Public Health Research (Major Core)	3
U.S. and California Government ( <a href="http://bulletin.sfsu.edu/undergraduate-education/american-institutions/#usg">http://bulletin.sfsu.edu/undergraduate-education/american-institutions/#usg</a> ) or University Elective if met in transfer		3
		<b>Units</b>
		<b>15</b>
<b>Second Semester</b>		
PH 420	Epidemiology (Major Core)	3
PH 455	Community Organizing and Community Building for Health (Major Core, UD-C, AERM, ES, GP, SJ)	3
PH 520	Structural Oppression and Social Foundations of Health (Major Core)	3
Major Elective (6 units total) - Take One <sup>1</sup>		3
GE Area UD-B: Upper-Division Physical and/or Life Sciences		3
		<b>Units</b>
		<b>15</b>

**Third Semester**

PH 431	Program Planning, Implementation, and Evaluation (Major Core)	3
PH 450	Public Health Policy (Major Core)	3
PH 600	Public Health Media, Technology, and Communications (Major Core)	3
Major Elective (6 units total) - Take One <sup>1</sup> or University Elective if PH 221 met in transfer		3
GE Area UD-D: Upper-Division Social Sciences		3
	<b>Units</b>	<b>15</b>

**Fourth Semester**

PH 480	Fieldwork and Reflective Seminar (Major Core)	9
US History ( <a href="http://bulletin.sfsu.edu/undergraduate-education/american-institutions/#USHaGR">http://bulletin.sfsu.edu/undergraduate-education/american-institutions/#USHaGR</a> ) or University Elective if met in transfer		3
University Elective		3
	<b>Units</b>	<b>15</b>
	<b>Total Units</b>	<b>60</b>

<sup>1</sup> **Electives (6 units)**

A full list of elective options can be found in the degree requirements (<http://bulletin.sfsu.edu/colleges/health-social-sciences/public-health/bs-public-health/#degreerequirementtext>).
