# Bachelor of Arts in Recreation, Parks, and Tourism Administration

## Recreation, Parks, and Tourism Administration (B.A) – 39 units

All students must complete the core courses and program electives. All courses used in the major must be completed with a letter grade of C- or better (CR/NC option is not allowed) and a minimum grade point average of 2.0. A grade of C or better is required in RPT 600GW.

### Core (30 units)

<table>
<thead>

Select One:

- RPT 340  Conference, Event Planning, and Management  3
- RPT 358  Campus Recreation                                    3
- RPT 400  Programming Recreation, Parks, and Tourism Experiences  3
- RPT 350  Facilitating Wellness Through Leisure               3
- RPT 500  Organization and Administration of Recreation, Parks, and Tourism  3

- RPT 600GW  Professionalism in Recreation, Parks, and Tourism - GWAR  3
- RPT 690  Internship in Recreation, Parks, and Tourism         9

### Program Electives (9 units)

Choose 9 units of that best meet your professional interest and are approved by advisor. Other electives are possible with advisor approval.

Select One:

- RPT 390  Leisure Travel and Tourism                           3
- RPT 520  Parks and Outdoor Recreation Resources               3

Select Two:

- RPT 205  Adventure Travel                                     6
- RPT 210  Growth Through Art and Leisure                       6
- RPT 230  Growth Through Adventure                             6
- RPT 280  Developmental Play Processes                         6
- RPT 410  Therapeutic and Inclusive Recreation                 6
- RPT 440  Urban Recreation and Parks                          6
- RPT 460  Recreation Destination Resorts                       6
- RPT 470  Travel with Purpose                                 6
- RPT 605  Ecotourism & Sustainable Travel                      6
- RPT/ENVS 640  Recreational Use of National Parks and Protected Areas  6

### Complementary Studies

Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Additional ways to complete Complementary Studies for students in the Recreation, Parks, and Tourism Administration major include study abroad and 12 units of courses complementary to the major approved by a Recreation, Parks & Tourism department advisor.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement to ensure degree completion within 60 units.

### Environmental Sustainability

**LD or UD** 3 ES

### Global Perspectives

**LD or UD** 3 GP

### Social Justice

**LD or UD** 3 SJ

Note: LD = Lower-Division; UD = Upper-Division.

**First-Time Student Roadmap (4 Year)**

a. The roadmaps presented in this Bulletin are intended as suggested plans of study and do not replace meeting with an advisor. For a more personalized roadmap, please use the Degree Planner (https://registrar.sfsu.edu/degreeplanner/) tool found in your Student Center.

b. In order to choose your English Composition A2 course and your QR/Math B4 course, please complete the online advising activities at writingadvising.sfsu.edu and mathadvising.sfsu.edu. Questions? Contact Gator Smart Start (https://gatorsmartstart.sfsu.edu).

**First-Time Student Roadmap** (http://bulletin.sfsu.edu/colleges/health-social-sciences/recreation-parks-tourism/ba-recreation-parks-tourism-administration/roadmap-i-ii-eng/)

**General Advising Information for Transfer Students**

a. Before transfer, complete as many lower-division requirements or electives for this major as possible.

b. The following courses are not required for admission but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer:

- a course in U.S. History
- a course in U.S. & California Government

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit http://www.assist.org (http://assist.org). Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower-division major requirements for this major;

Remedial courses are not transferable and do not apply to the minimum 60 semester units/90 quarter units required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper-division transfer (for example, if a course was not passed on the first attempt or was taken to earn a better grade).

Before leaving the last California Community College of attendance, obtain a summary of completion of lower-division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering, and mathematics (STEM) disciplines often defer 6-9 units of lower-division General Education in Areas C and D until after transfer to focus on preparation courses for the major. This advice does not apply to students pursuing associate degree completion before transfer.

**Transferring From Institutions Other Than CCCs or CSUs**

Review SF State’s lower-division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State’s lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.
