<sup>1</sup> ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

<sup>3</sup> **Complementary Studies**

Students completing a Bachelors of Arts in Urban Studies and Planning must complete 12 units in complementary courses bearing a prefix other than USP, and not cross-listed with USP. The units used to satisfy Complementary Studies may be in a minor (or a partial minor if the minor requires more than 12 units), a foreign language, or a coherent group of courses from the following departments/college: Political Science, Geography, History, Sociology, Environmental Studies, Economics, and the departments in the College of Ethnic Studies. All Complementary Studies units must be approved by an advisor in the major.

Any courses with prefixes other than USP or cross-listed with USP that can be counted toward the major can also count toward the Complementary Studies Requirement.

<sup>4</sup> To determine the best B4 course option, students should complete the online advising activity at [mathadvising.sfsu.edu](https://mathadvising.sfsu.edu) (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

<sup>5</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
