BACHELOR OF ARTS IN ANTHROPOLOGY – ANTH ASSOCIATE DEGREE FOR TRANSFER (ADT) ROADMAP

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with an AA-T in Anthropology. Nine units in the major (ANTH 100, ANTH 110, ANTH 120) and all lower-division GE requirements have been satisfied. Check with a major advisor about the most appropriate course sequence. Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (http://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/).

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9–15 Units

• American Institutions (0–6 units): US History, US Government, California State and Local Government requirements if not completed prior to transfer.
• Upper-Division GE Areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
• Students entering this major with the AA-T in Anthropology are not required to fulfill SF State Studies requirements.
• Complementary Studies: Consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Anthropology Major: 30-31 Units

(ANTH 100, ANTH 110, ANTH 120 met in transfer)

• Foundation Core (includes GWAR, ANTH 300 and ANTH 130): 9 units.
• Area 1 – Theory and Foundations: 3 units.
• Area 2 – Methods and Practicum: 4-6 units (if 6 units taken, reduce ANTH electives to 12).
• Electives in ANTH: 15 units.
• At least one UD course in Area One or Two or electives must be taken in each of 3 subfields: Biological, Cultural/Visual, and Archaeology.

University Electives: 23 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State – some courses may meet more than one requirement, e.g. in both UD GE and in the major.
