Complementary Studies

All candidates for the Bachelor of Arts degree in Art must complete 12 units of Complementary Studies from courses bearing a prefix other than ARTH, and not cross-listed with ARTH.

Students may satisfy this requirement in a variety of ways designed to facilitate timely graduation. Under advisement students may complete one of the following:

- · 12 units of coursework in a single foreign language,
- · Museum Studies Minor,
- · an approved study abroad program,
- · partial completion of a second major, minor, or
- · 12 units of coursework in a related area of study.

Students are strongly encouraged to work closely with their major advisor toward completion of this requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and SF State units can best be applied to this requirement to ensure degree completion within 60 units.

- Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
