# Bachelor of Science in Industrial Design: Concentration in Product Design and Development Roadmap – Quantitative Reasoning Category III/IV and ENG 114

120 Total Units Required  
Minimum Number of Units in the Major: 59

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

3. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

4. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

5. Upper-Division General Education, Arts and/or Humanities (UD-C) is satisfied upon completion of DES 356.

6. Electives
   - Select two from the following:
     - DES 325 Graphic Design I (3 units)
     - DES 327 Interactive Design I (3 units)
     - DES 332 Electricity and Electronics (3 units)
     - DES 405 How to Develop, Patent, and Market an Idea (3 units)
     - DES 475 Topics in Design (3 units)
     - DES 510 Product Design III (3 units)
     - DES 521 Technical Drawing III: Advanced Modeling and Rendering (3 units)
     - DES 523 Information Design I: Data Visualization (3 units)
     - DES 560 Prototyping Smart Devices (3 units)
     - DES 576 Practical Experience: Internship (3 units)*
     - DES 628 Design Gallery: Exhibitions and Communications (3 units)
     - DES 685 Projects in the Teaching of Design (1-4 units)
     - DES 699 Independent Study in Design (3 units)*
   - Or Elective Approved by Advisement

   * Students may choose DES 576 or DES 699, but may not choose DES 576 and DES 699.

± Given catalog rights, fall 2022 transfer students do not need to complete an Area F course.
