### B.A. IN ENGLISH: CONCENTRATION IN LITERATURE AND M.A. IN ENGLISH LITERATURES ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor’s and master’s degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master’s degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

B.A. in English: Concentration in Literature and M.A. in English Literatures

Roadmap

- Study Abroad: 12 units of coursework taken in an approved study abroad program (such as CSU Study Abroad);

* Early Period Distribution Requirement
As part of their 30-unit graduate program requirements, students must take at least one course (3 units) in literature before 1800. The early period requirement may be met by courses that also fulfill the above listed subject requirements (for example, the early period course might also count as the "Literary History" required course, or it might count as an elective). Thus, the early period requirement is a distribution requirement, not a course requirement.

± Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
