The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

Total Units 150-152

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

3. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

4. Complementary Studies
12 units of Complementary Studies are required of all candidates in any of the four concentrations (Literature, Linguistics, English Education, and Professional Writing and Rhetoric) in the Bachelor of Arts degree in English. These units must come from courses bearing a prefix other than ENG, and must not be cross-listed with ENG. English majors will be offered four pathways for satisfying this requirement; each pathway is designed to facilitate graduation in a timely manner.

- Foreign Language: 12 units in a single foreign language;
- Second Major, Minor, Certificate: 12 units of coursework taken as part of a second major, a minor, or a certificate;
- Study Abroad: 12 units of coursework taken in an approved study abroad program (such as CSU Study Abroad);
- Related Subjects: 12 units of coursework in related disciplines with the approval of an English Department advisor.

Related subjects typically include (but are not limited to) Comparative and World Literature, Classics, Creative Writing, Ethnic Studies, Foreign Languages, History, Journalism, and Women and Gender Studies. For this option, 6 units must be from classes in a non-literary related field. Depending on the concentration within the major, CS pathway, and with approval of a departmental advisor, up to 12 units from courses with non-ENG prefixes that count towards the Complementary Studies requirement may also count as English electives in fulfillment of major requirements.

5. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

6. Concentration Electives - 9 Units selected from courses below:
ENG 200 Writing Practices in Professional Contexts (3 units) (C2)
ENG 470 Writing Professional Promotions (3 units)
ENG 471 Writing Technical Documentation (3 units)
