1. Up to 12 units from the lower-division core (CHIN 101, CHIN 102, and/or CHIN 103) can be replaced with high school Advanced Placement (AP) examination credit (see University guidelines). With the consent of a Chinese Program advisor, students able to demonstrate a higher level of Chinese language proficiency may replace lower-division core units with upper-division Chinese language units.

2. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

3. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

4. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

5. Complementary Studies

Required of all candidates for the Bachelor of Arts degree in Chinese are 12 units of Complementary Studies, which must come from courses bearing a prefix other than CHIN, and not cross-listed with CHIN. Complementary Studies for the Chinese major can be satisfied via four possible routes:

a. 12 units in any foreign language other than Chinese (may include up to three units of MLL prefix courses);

b. 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad, SF State Bilateral, Chinese Flagship, and SLI Translation-Interpretation programs);

c. 12 units of coursework taken as part of a second major, a minor or a certificate;

d. 12 units of coursework in related disciplines with the approval of a Chinese Program advisor.

Related disciplines typically include linguistics, literature, philosophy, history, education, and any aspect of Greater China, East Asia, or Asian Americans.

Where a course with a non-CHIN prefix is taken as a core requirement or elective for the Chinese major, the said course may also (doubly) count towards Complementary Studies only via the Study Abroad option or the 2nd Major, Minor, or Certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of 3 units of overlap of MLL prefix courses between Chinese major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

6. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

7. Electives (0-12 units)

Additional upper-division CHIN-prefix courses as needed to reach a total of 45 units in the major. The number of elective units needed is dependent on how many units of the lower-division core are met through AP tests.

8. Graduation Writing Requirement (GWAR) (3 units)

Any course with GWAR (GW) suffix

9. Content Course (3 units)

CHIN 341 From Yellow Music to Mando Pop: The History & Practice of Popular Music in 20th & 21st Century China (3 units) (GP)

CHIN 521 Chinese Modern Fiction (3 units) (GP)
