1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.
3 To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

4 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

5 Complementary Studies

Required of all candidates for the Bachelor of Arts degree in German are 12 units of Complementary Studies, which must come from courses bearing a prefix other than GER, and not cross-listed with GER. Complementary Studies for the German major can be satisfied via four possible routes:

• 12 units in any foreign language other than German (may include up to 3 units of MLL prefix courses);
• 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
• 12 units of coursework taken as partial completion of a second major, a minor, or a certificate;
• 12 units of coursework in related disciplines with the approval of a German program advisor.

Related disciplines typically include linguistics, literature, communication, Jewish studies, philosophy, history, humanities, education, and any aspect of Europe.

Where a course with a non-GER prefix, (and not cross-listed with GER), is taken as a core requirement or elective for the German major, the said course may also (double) count towards Complementary Studies only via the Study Abroad option or the second major/minor/certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of 3 units of overlap of MLL-prefix courses between German major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

6 Upper-Division Electives (18 units)

Any upper-division course (GER 300+) can be counted as an elective.

GER 511 German Literature II (3 units)
