**Total Units 14**

**Total Units 120-122**

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. May be fulfilled by AP test credit.

3. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

4. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

5. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

6. **Complementary Studies**

   Required of all candidates for the Bachelor of Arts degree in Italian are 12 units of Complementary Studies, which must come from courses bearing a prefix other than ITAL, and not cross-listed with ITAL. Complementary Studies for the Italian major can be satisfied via four possible routes:
   
   • 12 units in any foreign language other than Italian (may include up to three units of MLL prefix courses);
   
   • 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
   
   • 12 units of coursework taken as partial completion of a second major, a minor, or a certificate;
   
   • 12 units of coursework in related disciplines with the approval of an Italian program advisor.

   Related disciplines typically include classics, linguistics, literature, humanities, philosophy, history, music, art history, education, Jewish studies, apparel design and merchandising, industrial design, and any aspect of greater Italian, Mediterranean, Italian-American, or European studies.

   Where a course with a non-ITAL prefix, (and not cross-listed with ITAL), is taken as a core requirement or elective for the Italian major, the said course may also (double) count towards Complementary Studies only via the Study Abroad option or the second major/minor/certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of three units of overlap of MLL-prefix courses between Italian major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

7. One lower-division course (e.g., ITAL 250) or related area upon advising.

8. Any upper-division course (ITAL 300-699) or related area upon advising.

± Given catalog rights, fall 2022 transfer students do not need to complete an Area F course.
