Program Learning Outcomes

1. Listening Comprehension: Student can understand the utterances of native speakers and extract main ideas from recordings of authentic speech, including excerpts from lectures, films, radio and television broadcasts.

2. Reading Comprehension: Student can understand and summarize main ideas in target language texts intended for general readers,

including social correspondences, general purpose essays, short stories, and news writing.

3. Speaking: Student can sustain a conversation on a general topic with a fluent speaker of the target language, narrate and describe on a variety of topics at paragraph length, and respond to spontaneous developments in an exchange.

4. Writing: Student can produce narratives and descriptions, cohesive summaries and routine social correspondences (e.g. business letters, resumes), demonstrating awareness of diction, syntax, and stylistics in the writing process.

5. Student has an understanding of cultural values, folk beliefs, social conventions, and festive celebrations unique to target culture.

6. Student can identify, characterize, and analyze major literary genres, movements or periods.
