1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114 if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP; ES, SJ) requirements within your GE or major.
3. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (/mathadvising). Questions? Contact Gator Smart Start.
4. To meet the study of History. These units can be earned in residence at San Francisco State, in a Study Abroad Program, or transferred.
a. Up to all 12 units may be in a Foreign Language or through Study Abroad at either the lower- or upper-division;

b. For units that are not in a Foreign Language or through Study Abroad, up to 3 units may be lower-division and the remainder must be upper-division;
c. Within an established minor, students can satisfy Complementary Studies by completing 12 units from a single minor. If students earn their Complementary Studies as part of an established minor, a maximum of 6 units may be lower-division.

Students who have earned AA–T or AS–T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.
5. Consider taking a class with a combined laboratory or a separate lab to fulfill B3 if not already satisfied.
6. Lower-Division Core Option:

Three upper-division units (normally one course) outside the major (with a non-HIST prefix) may be counted upon advisement. Students may take additional courses as electives if they choose.
8. Upper-Division Breadth Requirements
   Students must complete the following four Breadth requirements within their upper-division course of study.
