<sup>1</sup> ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

<sup>3</sup> To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

<sup>4</sup> **Recommended GE Courses:**

GE Area B4

I R 112/HIST 112/LCA 112/PHIL 112/PLSI 112 Quantitative Reasoning for Civic Engagement (3 units) (B4)

GE Area C2

I R 260/PRSN 260 History and Cultures of Iran (3 units) (C2, GP, SJ)

GE Area E

I R 259 Children and Youth in International Relations (4 units) (E, GP, SJ)

<sup>5</sup> **Complementary Studies**

Twelve units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in International Relations. These units must come from courses bearing a prefix other than I R, and not cross-listed with I R.

International Relations majors are offered several pathways toward completing this requirement, each of which is designed to facilitate graduation in a timely manner. International Relations majors may, with the approval of an International Relations advisor, elect to apply 12 units in a single foreign language of their choosing, courses taken in an approved study abroad program (e.g., CSU Study Abroad), courses taken as part of a second major, a minor, or a certificate, and courses in a related discipline. Related disciplines typically include: political science, sociology, anthropology, environmental studies, geography, global health, or journalism.

Up to six units of a single language or six upper-division units of Complementary Studies may, with the approval of a departmental advisor, also be counted as International Relations electives in fulfillment of major requirements.

Note: Courses fulfilling the IR major core requirement may not be taken on a CR/NC basis.

<sup>6</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

<sup>7</sup> **Electives (18 Units)**

Students are required to complete 18 elective units related to international relations. At least 12 units of coursework must be upper-division I R courses (300-level or above) or be cross-listed with I R. Six additional units may be taken outside of the department upon the approval of a major advisor. Lower-division language courses taken in the Department of Modern Languages and Literatures and 200-level IR courses can be used for these 6 units; otherwise, upper-division courses are required.

<sup>8</sup> Select a course in the range I R 730 to I R 739

<sup>9</sup> Select a course in the range I R 740 to I R 749

<sup>10</sup> Select one emphasis for the following options:

**Academic Emphasis (15 units)**

I R 750 Methods and Thesis Selection in International Relations (3 units)

I R 751 Data Analysis and Evaluation Research in International Relations (3 units)

Select 6 units of Electives in international relations or related disciplines

I R 898 Master's Thesis (3 units)

**Professional Emphasis (15 units)**

I R 750 Methods and Thesis Selection in International Relations (3 units)

Thematic combination of courses (total nine units) in international relations or related fields of inquiry and training such as: public administration; international business, management, or finance; international environmental studies, or other fields related to international careers. Approval of graduate advisor required for courses in other departments.

I R 892 Sponsored Graduate Internship in International Relations (3 units)

<sup>11</sup> Select one additional class from either of the above series (I R 730 to I R 739 or I R 740 to I R 749)

± Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
