

BACHELOR OF MUSIC

The Bachelor of Music is an intensive curriculum for students wishing to study music for specific professional purposes or seeking professional levels of attainment in music. Bachelor of Music emphases within the program provide specialized study in piano, vocal, and instrumental performance, composition, jazz, history and literature, and music education (credential preparation). These specializations prepare students for graduate study or various professional opportunities. In addition to possessing musical ability and motivation, every candidate for the professional degree program must demonstrate, in an audition before a faculty panel, a significant technical and artistic level of accomplishment in at least one area of performance before being admitted to this major. Candidates for the Bachelor of Music major may apply either before or after enrolling at San Francisco State University.

A maximum of 73 units in music may be counted toward this degree.

Emphases

Students in a performance emphasis may receive up to eight semesters of individual lessons with the distinguished artist faculty in the School of Music, many of whom are members of the San Francisco Symphony, Opera, and Ballet Orchestras, and maintain active professional careers. The degree program culminates in a formal senior recital.

Students in the composition emphasis have early and continued opportunities through private lessons, composers' workshops, and other specialized classes to study with nationally recognized faculty composers and to have their works publicly performed. Students are expected to qualify for this emphasis at the end of the second year of study at San Francisco State University.

Students in the history and literature emphasis complete core courses in music history as well as courses in such topics as keyboard literature, jazz, ethnic music, and the works of individual composers. The culminating project for the history and literature emphasis, a senior thesis of an analytical or historical nature, gives each student an opportunity to work closely with a member of the music history faculty in developing research and analytical skills.

The Bachelor of Music with an emphasis in music education prepares students to teach in the elementary and secondary schools. Completion of this curriculum satisfies the pre-professional academic requirements for the Single Subject Teaching Credential in Music, leaving only the professional education sequence to be completed in the College of Education.

Bachelor of Music students must complete 27 units of core courses which includes concert attendance and one of the following emphases: Piano, Instrumental, or Vocal Performance, Composition, Jazz, History and Literature, or Music Education. Students who select the Music Education emphasis must complete one of the three options listed under Music Education.

Additional Requirements

- Students must enroll in MUS 150 (0 units) each semester in residence up to and including eight semesters.
- A grade of C or better is required for all music courses in the Bachelor of Music major.

Bachelor of Music – 66–79 units

General Education Requirements Met in the Major

The requirements below are deemed “met in the major” upon completion of the courses listed (even though the courses and their prerequisites are not approved for GE). This is true whether or not the student completes the major.

- Area C1 (Arts) is satisfied upon completion of MUS 221, MUS 222, and MUS 223.
- Area UD-C (Arts) is satisfied upon completion of any two of MUS 550, MUS 551, and MUS 552.

First-Time Student Roadmap (4 Year)

Find the correct roadmap (A, B, C, or D):

1. Select the row that matches your English Course choice for A2.*
2. Select the column that matches your QR Category (found at your student center under Math Alert).
3. Click the Roadmap that lines up with your row and column.

For example, if you are taking ENG 104 as your first English course and your student center math alert says you are QR Category III, you should choose Roadmap D.

Course Choice	One-Semester Course	Two-Semester Sequence or Support Course
ENG 114	Roadmap A (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/music/bm/roadmap-i-ii-eng/)	Roadmap C (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/music/bm/roadmap-iii-iv-eng/)
ENG 104/ENG 105	Roadmap B (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/music/bm/roadmap-i-ii-stretch/)	Roadmap D (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/music/bm/roadmap-iii-iv-stretch/)

*Composition for Multilingual Students: If taking ENG 209 as your first English course, choose the ENG 114 row. If taking ENG 204 for your first English course, choose the ENG 104/ENG 105 row.

General Advising Information for Transfer Students

1. Before transfer, complete as many lower-division requirements or electives for this major as possible.
2. The following courses are not required for admission but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
 - a course in U.S. History
 - a course in U.S. & California Government

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit <http://www.assist.org> (<http://assist.org>). Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower-division major requirements for this major;
- Which courses at a CCC satisfy CSU GE, US History, and US & CA Government requirements.

Remedial courses are not transferable and do not apply to the minimum 60 semester units/90 quarter units required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper-division transfer (for example, if a course was not passed on the first attempt or was taken to earn a better grade).

Before leaving the last California Community College of attendance, obtain a summary of completion of lower-division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering, and mathematics (STEM) disciplines often defer 6-9 units of lower-division General Education in Areas C and D until after transfer to focus on preparation courses for the major. This advice does not apply to students pursuing associate degree completion before transfer.

Transferring From Institutions Other Than CCCs or CSUs

Review SF State's lower-division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State's lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All Students Must Meet the Transfer Eligibility Requirements Outlined Below for Admission.

For more information, visit the Undergraduate Admissions section (<http://bulletin.sfsu.edu/undergraduate-admissions/>).

- Complete 60 or more transferable semester units or 90 or more quarter units.
- Earn a college grade point average of 2.0 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
- Be in good standing at the last college or university attended.
- Complete 30-semester units (45-quarter units) of General Education, including four basic skills courses:
 - a. One course in oral communication (same as CSU GE Area A1)
 - b. One course in written composition (same as CSU GE Area A2)
 - c. One course in critical thinking (same as CSU GE Area A3)
 - d. One course in mathematics or quantitative reasoning (same as CSU GE Area B4)
- The four basic skills courses and a minimum of 60 transferable semester units (90-quarter units) must be completed by the spring

semester prior to fall admission, or by the fall semester prior to spring admission. Earn a C- or better grade in each basic skills course.
