- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.
- Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

⁶ **Complementary Studies**

Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Additional ways to complete Complementary Studies for students in the Dance major can, with the approval of a Dance Program advisor, satisfy Complementary Studies in the major with 12 units in a single foreign language of their choosing, 12 units from courses taken in a study abroad program, 12 units of courses taken as partial completion of a second major, minor or certificate, or 12 units of courses in related disciplines.

Related disciplines typically include theater, music, cinema, broadcast and electronic communications, creative writing, journalism, kinesiology, physical education, health education, holistic health, biology, elementary education, English, history, anthropology, business, and journalism. The Dance program allows up to 12 units of dance-related disciplines to count toward the Dance major.

⁷ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
