

BACHELOR OF ARTS IN THEATRE ARTS – THA ASSOCIATE DEGREE FOR TRANSFER (ADT) ROADMAP

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with the AA-T in Theatre Arts. Three lower-division units in the major (TH A 130) and all lower-division GE requirements have been satisfied. Additional units in the major may have been satisfied. Check with a major advisor about the most appropriate course sequence. **Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (<http://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/>).**

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9-15 units

- American Institutions (0-6 units): US History, US Government, and California State and Local Government requirements if not taken before transfer.
- Upper-Division GE Areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering the major with the AA-T in Theatre Arts are not required to fulfill SF State Studies requirements.
- Complementary Studies: Consult with a department advisor on how transfer units and SF State units can be applied to ensure degree completion within 60 units.

Drama (Theatre Arts) Major: 42 units

TH A 130 met before transfer - required for ADT.

- Core (24 units)
- Major Electives (18 units) – 18 elective units with the TH A prefix. At least 9 units must be upper-division units. Consult with a major advisor.

University Electives: 3 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., in both UD GE and the major.

Course	Title	Units
First Semester		
TH A 202	Integrated Theatre Studies (Major Core)	3
Select One (Major Core):		3
TH A 310	Scenery and Props Laboratory and Crew
