ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> GE <u>Area E (Lifelong Learning</u> and <u>Self-Development)</u> is satisfied upon completing ENGR 100.

<sup>3</sup> To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

GE Area A: Critical Thinking (A3) is satisfied upon completion of ENGR 205 and ENGR 201 or ENGR 213.

To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

Upper-Division General Education, Physical and Life Sciences (UD-B) is satisfied upon completion of ENGR 478.

Major Electives (minimum 6 units)

Choice of upper-division electives must demonstrate a clearly identifiable educational objective <u>and</u> have an advisor's approval. A study plan of intended upper-division electives must be approved by the student's advisor and the program coordinator prior to registering for ENGR 696.

A  $\underline{\text{minimum}}$  of  $\underline{6}$  units from the following list of courses is required. Students with a GPA of 3.0 or better and the required prerequisites may take graduate courses (numbered 800 and above) with the approval of their advisor or the program coordinator.
