MINOR IN EARTH SCIENCES

All coursework used to satisfy the requirements of the minor must be completed with a minimum grade point average of 2.0.

The Minor in Earth Sciences program consists of 15 units, including ERTH 400, ERTH 500 and 9 units of Earth Sciences electives selected with the advice and approval of a Department of Earth & Climate Sciences faculty advisor. (See program requirements below.)

Earth Sciences Minor — 15 units

Required Courses (6 units)

Electives (9 units)

a. Complete at least 9 units of selected Earth & Climate Sciences (ERTH) (or closely related) coursework in consultation with a Department of Earth & Climate Sciences faculty advisor.
b. At least 6 of the 9 units must come from courses with the ERTH prefix.
c. At least 6 of the 9 units must be upper division coursework.
d. No more than 3 of the 9 units can come from a course designed primarily for General Education (such as 300-level ERTH courses).
