¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

³ QR Category III students with a grade of B or higher in high school pre-calculus in the past year may be able to enroll in MATH 226. Please see a department advisor.

⁴ To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

⁵ Consider taking a class with a combined laboratory or a separate lab to fulfill B3 if not already satisfied.

⁶ **Complementary Studies**
Students in the B.A. Math program will satisfy the Complementary Studies requirement with the completion of courses satisfying the General Education B1 Physical Science requirement, the General Education B2 Life Science requirement, the Upper-Division General Education UD-B (Physical and/or Life Sciences) requirement, and the computer programming course required for the major.

⁷ MATH 475 serves as the capstone course for the major.

± Given catalog rights, fall 2022 transfer students do not need to complete an Area F course.
