UNDERGRADUATE APPLICATION PROCEDURES

San Francisco State University accepts applications from prospective students for part-time or full-time undergraduate programs of study in day and evening classes. Undergraduate applicants must file a complete undergraduate application at https://www2.calstate.edu/apply (http://www.csumentor.edu) and submit a $70 nonrefundable application fee. The application fee may not be transferred or used to apply to another term. The applications of persons denied admission to an impacted campus may be re-routed to another campus at no cost, but only if the applicants are CSU eligible.

Application Acknowledgment
Students applying online on Cal State Apply will receive an email acknowledgment as soon as the application is successfully submitted and a confirmation number is issued. Additional email notifications will be sent by the campus requesting submission of academic records necessary for the campus to evaluate the student’s qualifications. Applicants may be assured of admission if the evaluation of relevant qualifications indicates that applicants meet CSU admission requirements, and in the case of impacted majors, campus requirements for admission to an impacted program. An offer of admission is not transferable to another term or another campus.

Notification of Admission
Applicants who have received an application receipt notice and have submitted all required admission materials will begin to receive notification of acceptance or denial of admission to the fall semester on November 1, and for the spring semester on August 15. If the processing schedule permits, some applicants may be notified in advance of these dates.

Appeal of the Notification of Denial of Admission
Applicants may appeal the Notification of Denial of Admission to the Office of Undergraduate Admissions within 15 days of the date of the denial notification. The appeal should be initiated by the applicant via phone (415) 338-6486. Many appeals will be resolved in the initial contact. When additional information is required, the applicant will be instructed about how to provide this to Undergraduate Admission. The time frame for conclusively addressing an appeal will vary with the complexity of the appeal.

Appeal of Admission Decision
Section 89030.7 of the California Education Code requires that the CSU establishes specific requirements for appeal procedures for a denial of admission. Each CSU campus must publish appeal procedures for applicants denied admission to the university. The procedure is limited to addressing campus decisions to deny an applicant admission to the university.

Admission appeal procedures must address the basis for appeals, provide 15 business days for an applicant to submit an appeal, stipulate a maximum of one appeal per academic term, provide specific contact information for the individual or office to which the appeal should be submitted and indicate a time estimate for when the campus expects to respond to an appeal. The appeal procedures must be included in all denial of admission notifications to students, and must also be published on the campus website.

This link will open a new tab with San Francisco State University's Undergraduate Admission Appeals form (https://future.sfsu.edu/forms/undergraduate-admission-appeals/).

Hardship Petitions
The campus has established procedures for consideration of qualified applicants who would be faced with extreme hardship if not admitted. Petitioners should write the Director of Undergraduate Admissions regarding specific policies governing hardship admission.

Impacted Programs
The CSU designates programs as impacted when more applications from regularly eligible applicants are received in the initial filing period (October and November for fall terms, June for winter terms, August for spring terms, February for summer terms) than can be accommodated. Some programs are impacted at every campus which they are offered; others are impacted only at a few campuses. Candidates for admission must meet all of the campus’ specified supplementary admission criteria if applying to an impacted program or campus.

The CSU will announce during the fall filing period those campuses or programs that are impacted. Detailed information on campus and program impaction is available on the Impaction at the CSU website (http://www2.calstate.edu/attend/impaction-at-the-csu/).

Campuses will communicate supplementary admission criteria for all impacted programs to high schools and community colleges in their application service area and will disseminate this information to the public through appropriate media. This information will also be published on the San Francisco State University website at www.sfsu.edu (http://www.sfsu.edu).

Applicants must file applications for admission to an impacted program during the initial filing period. Applicants who wish to be considered for impacted programs at more than one campus should file an application at each campus for which they seek admission consideration.

Impaction at SF State
The CSU designates major programs as impacted when more applications are received in the initial filing period from CSU eligible applicants than can be accommodated by the campus. Impacted majors are authorized to use supplementary admission criteria and higher admission standards than the CSU minimum requirements in considering applicants to the program. These criteria are applied equally to continuing SF State students and new applicants alike. For information regarding specific application criteria and deadlines for majors impacted at SF State, click on the program of interest below.

- Accounting Concentration in Business (http://bulletin.sfsu.edu/colleges/business/accounting/bs-business-administration-concentration-accounting/)
- Kinesiology: Concentration in Exercise and Movements Sciences (http://bulletin.sfsu.edu/colleges/health-social-sciences/kinesiology/bs-kinesiology-concentration-exercise-movement-sciences/)
- Nursing/Undeclared with an Interest in Nursing (http://bulletin.sfsu.edu/colleges/health-social-sciences/nursing/#undergraduatetext)
• Psychology (http://bulletin.sfsu.edu/colleges/science-engineering/psychology/#undergraduatetext)
• Social Work (http://bulletin.sfsu.edu/colleges/health-social-sciences/social-work/#undergraduatetext)

Supplementary Admission Criteria
Each campus with impacted programs or class-level admission categories uses supplementary admission criteria in screening applicants. Supplementary criteria may include rank-ordering of freshman applicants based on the CSU eligibility index or rank-ordering of transfer applicants based on verification of the Associate in Arts for Transfer (AA-T) or Associate in Science Transfer (AS-T) degrees, the overall transfer grade point average (GPA), completion of specified prerequisite courses and a combination of campus-developed criteria. Applicants for freshman admission to impacted campuses or programs may need to have a higher "a-g" GPA. In no case will standardized test scores be utilized in making freshman admission decisions.

The supplementary admission criteria used by individual campuses to screen applicants are made available by the campuses to all applicants seeking admission to an impacted program. Details regarding the supplemental admissions criteria are also provided at http://future.sfsu.edu/impaction (http://future.sfsu.edu/impaction/).

Undergraduate Admission Requirements
Test Requirements
Freshman and transfer applicants who have fewer than 60-semester or 90-quarter units of transferable college credit must submit scores for either the ACT or the SAT. Please note: SF State is not currently accepting applications from lower-division transfer applicants. Persons who apply to an impacted program may be required to submit test scores and should take the test no later than November or December. Test scores are also used for advising and placement purposes. Registration forms and dates for the SAT or ACT are available from school or college counselors or a CSU campus testing office. Students may also write to or call:

For SAT
The College Board
Registration Unit, Box 6200
Princeton, NJ 08541–6200
(609) 771-7588

www.act.org (http://www.act.org)

TOEFL Requirement
All undergraduate applicants whose native language is not English and who have not attended schools at the secondary level or above for at least three years full-time where English is the principal language of instruction must present a minimum score of 61 on the internet-based Test of English as a Foreign Language (TOEFL), 500 on the paper-based TOEFL, or 173 on the computer-based TOEFL. Students whose native language is English and attended an educational institution at the secondary level or above where English was the principal language of instruction for at least three years full time will not be held to the TOEFL admission requirement. Some majors may require higher scores. Institutional TOEFL scores are not accepted. Campuses specify the conditions for meeting the requirement of three years of full-time English language instruction. Achieving the minimum TOEFL score shall be evidence of the applicant’s English competency at a level that will allow the applicant to participate satisfactorily in and benefit from University study. For complete information regarding TOEFL, go to www.toeﬂ.org (http://www.toefl.org).

Freshman Requirements: First-Time Freshmen Applicants
A first-time freshman is a student who has earned no college credit beyond the summer immediately following high school graduation.

Generally, applicants will qualify for consideration for first-time freshman admission if they meet the following requirements:

1. Have graduated from high school, have earned a Certificate of General Education Development (GED) or have passed the California High School Proficiency Examination (CHSPE);
2. Complete the 15-unit comprehensive "a-g" pattern of college preparatory courses;
3. Have completed, with grades of C- or better, each of the courses in the comprehensive pattern of college preparatory subject requirements also known as the "a-g" pattern (see "Subject Requirements"); and
   • The CSU will accept "Credit" or "Pass" grades to satisfy "a-g" requirements completed during Winter, Spring, Summer or Fall 2020 terms and during Winter, Spring or Summer 2021 terms. The CSU expects and assumes that high school Pass (Credit) grades will represent work completed at the C- or higher level.
4. Earn a qualifying "a-g" grade point average (GPA) as described below.
   • California residents and graduates of California high schools will be eligible for admission by earning a 2.50 or greater "a-g" GPA.
   • Any California high school graduate or resident of California earning a GPA between 2.00 and 2.49 may be evaluated for admission based upon supplemental factors such as number of courses exceeding minimum "a-g" requirements, household income, extracurricular involvement, and other available information that would inform the campus admission decision.
   • Non-California residents may be eligible for admission to the CSU by earning a 3.00 or greater "a-g" GPA along with other supplemental factors utilized by the individual campus, including those outlined by impacted campuses and programs.
   • Any Non-California resident earning a GPA between 2.47 and 2.99 may be evaluated for admission based upon supplemental factors such as number of courses exceeding minimum "a-g" requirements, household income, extracurricular involvement, and other available information that would inform the campus admission decision.
5. Each CSU campus will determine the supplemental factors used with GPA to determine eligibility in these cases and communicate these criteria publicly for prospective students.

The California State University (CSU) has temporarily suspended the use of ACT/SAT examinations in determining admission eligibility for all CSU campuses for the 2021-2022 and 2022-2023 academic years.

Honors Courses
Up to eight semesters of honors courses taken in the last three years of high school, including up to two approved courses taken in the tenth
grade, can be accepted. Each unit of A in an honors course will receive a 
total of 5 points; B, 4 points; and C, 3 points.

Note: A grade point average of 3.0 and above qualifies with any score on 
the ACT or SAT. Applicants from outside of SF State’s six-county service 
area may be held to different requirements. A grade point average of 
below 2.0 does not qualify for regular admission.

Subject Requirements
The California State University requires that first-time freshman 
applicants complete, with grades of C or better, a comprehensive pattern 
of college preparatory study totaling 15 units. A “unit” is one year of study 
in high school.

• Two years of social science, including one year of U.S. history, or U.S. 
history and government;
• Four years of English;
• Three years of mathematics (algebra, geometry, and intermediate 
  algebra);
• Two years of laboratory science (one year of biological science 
  and one year of physical science, both must include laboratory 
  instruction);
• Two years in the same language other than English (subject to waiver 
  for applicants demonstrating equivalent competence);
• One year of visual and performing arts (art, dance, drama/theater, or 
  music);
• One year of electives selected from English, advanced mathematics, 
  social science, history, laboratory science, foreign language, visual 
  and performing arts, or other courses approved and included on the 
  UC/CSU “a-g” list.

Subject Requirement Substitution for Students with 
Disabilities
All freshman applicants are encouraged to complete 15 units of college 
preparatory subjects. If an applicant is otherwise qualified but unable to 
complete certain subjects because of a disability, an appeal can be made 
to the Admissions Office. The appeal committee recommends that the 
appeal include disability documentation by a qualified professional that 
illustrates how the disability has affected academic performance.

Subject Substitutions for Students with Disabilities: After admission to 
and enrollment in the University, students with disabilities who find they 
need to seek a course substitution should consult with the Disability 
Programs and Resource Center and be aware that course substitutions 
may limit later enrollment in certain majors.

Language Other Than English (LOTE) Requirement
The language other than English subject requirement may be satisfied by 
applicants who demonstrate equivalent competence in another language 
comparable to two years of high school foreign language study. Consult 
with a school counselor or the campus admissions office or Student 
Outreach Services for further information.

Making Up Missing College Preparatory Subject 
Requirements
Lower-division applicants who did not complete subject requirements 
while in high school may make up missing subjects in any of the 
following ways.

• Complete appropriate courses with a C or better in adult school or 
  high school summer sessions.
• Complete appropriate college courses with a C or better. One college 
  course of at least 3-semester or 4-quarter units is considered 
  equivalent to one year of high school study.
• Earn acceptable scores on specified examinations, e.g., SAT subject 
  tests.

Please consult with any CSU admissions office for further information 
about alternative ways to satisfy the subject requirements.

Note: Many CSU campuses, including San Francisco State University, are 
not accepting lower-division transfers. Ask the CSU campus if you can 
apply as a freshman or sophomore transfer before taking college courses 
to make up high school subject requirements.

Conditional Admission
San Francisco State University may conditionally admit first-time 
freshman applicants based on their academic preparation through the 
junior year of high school and planned coursework for the senior 
year. The University will monitor the final terms of study to ensure that 
submitted students complete their secondary school studies satisfactorily, 
including the required college preparatory subjects, and graduate from 
high school. Students are required to submit an official transcript 
after graduation to certify that all coursework has been satisfactorily 
completed. Official high school transcripts must be received prior to 
the deadline set by the University. In no case may documentation of 
high school graduation be received any later than the census date for a 
student’s first term of SF State enrollment. The University may rescind 
admission decisions, cancel financial aid awards, withdraw housing 
contracts and cancel any University registration for students who are 
found to be ineligible after the final transcript has been evaluated.

Applicants will qualify for regular (non-conditional) admission when 
the University verifies that they have graduated and received a high 
school diploma, have completed the comprehensive pattern of college 
preparatory “a-g” subjects and, if applying to an impacted program have 
met all supplementary criteria.

High School Students
Students still enrolled in high school are considered for enrollment 
in certain special programs if recommended by the principal and the 
appropriate campus department chair, and if preparation is equivalent to 
that required of eligible California high school graduates. Such admission 
is only for a specific program and does not constitute a right to continued 
enrollment.

California Promise
The California Promise Program enables a specific number of campuses 
of the California State University (CSU) to establish pledge programs 
for entering first-time students who are both interested and able to 
complete baccalaureate degrees in four years. Many campuses have 
also established programs for students with Associate Degrees for 
Transfer from any California Community College to complete their 
baccalaureate degrees in two years. The program is limited to students 
who are residents of California.

Students who commit to enter either the 4-year or 2-year pledge will 
be given a priority registration appointment for each state-supported 
enrollment period and will be provided with routine and thorough 
academic advisement. To remain in the program, students must meet 
with their advisors as prescribed, develop an enrollment plan, and
complete 30-semester units or quarter equivalent within each academic
year, including summer. Participating campuses may stipulate other
important requirements as well. Interested students should contact the
campus offices or visit www.calstate.edu/sas/california-promise.shtml
(http://www.calstate.edu/sas/california-promise.shtml/).

Students with Disabilities
If an applicant is otherwise qualified but unable to complete certain
subjects because of a disability, an appeal can be made to the
Admissions Office. The appeal committee recommends that the appeal
include disability documentation by a qualified professional that
illustrates how the disability has affected academic performance.

Reentry Student Admission
As an alternative to regular admission criteria, an applicant who is 25
years of age or older may be considered for admission if they meet all of
the following conditions:

1. Possesses a high school diploma (or has established equivalence
   through either the General Educational Development or California
   High School Proficiency Examinations).
2. Has not been enrolled in college as a full-time student for more than
   one term during the past five years.
3. If there has been any college attendance in the last five years, has
   earned a C average or better in all college work attempted.
4. Has taken coursework that demonstrates competence in the entry-
   level skills that those tests assess.
5. Has applied to and been denied University admission based on
   regular admission criteria and has received a referral for an interview
   from Undergraduate Admissions.
6. Has completed an interview to determine:
   a. the adequacy of the applicant’s motivation, preparation, and
      ability for academic success and
   b. that other educational alternatives are not appropriate.

Upon the recommendation of the interviewer, the student may be
admitted to the University under the aegis of CSU Executive Order No.
413.

Evaluation of Academic Records
Advanced Placement
San Francisco State University grants credit toward its undergraduate
degrees for successful completion of examinations of the Advanced
Placement (AP) Program of the College Board. Students who present
scores of three or better may be granted up to 6-semester units of college
credit.

The University also recognizes Advanced Placement (AP) courses
undertaken by high school students in conjunction with a collegiate
institution in those instances where the collegiate institution has
recommended credit. For additional information, the student may call
or write the Admissions Office or visit One Stop in the Student Services
Building.

Credit from Colleges Holding Regional Accreditation
Credits earned in colleges holding regional accreditation are evaluated
and advanced standing allowed on the basis of the evidence submitted
on official transcripts. Credit toward the fulfillment of graduation
requirements is allowed if the courses satisfactorily completed meet the
standards and requirements of the University.

Credit from Colleges Lacking Regional Accreditation
Credits earned in colleges lacking regional accreditation may be
accepted as a basis for advanced standing only when an applicant can
demonstrate by examination after they have enrolled in the University, that
a satisfactory degree of proficiency has been attained in the courses in
question. See Credit by Examination (below) for further information.

Credit for Community College Courses
Credit earned in accredited community colleges will be evaluated by the
Admissions Office in accordance with the following provisions:

1. Community college credit is allowed up to a maximum of 70-semester
   units. Credits and grades earned after the student has the maximum
   allowable may be used on approval only to satisfy subject and grade
   point requirements, but under no circumstances may they be applied
   toward the total units required for graduation from the University.
2. No upper-division credit may be allowed for community college work.
3. Credit for one course may be transferred from a community college
   for a course in the introduction to education. No other credit is
   allowed for professional courses in education.

Credit by Examination
Students may challenge courses by taking examinations developed
at San Francisco State University. Credit shall be awarded to those
who pass them successfully. See Maximum Credit by Examination or
Evaluation (http://bulletin.sfsu.edu/policies-procedures/#MCbEoE) for
additional information.

Credit for Non-Collegiate Instruction
San Francisco State University grants undergraduate degree credit
for successful completion of non-collegiate instruction, either military
or civilian, appropriate to the baccalaureate degree, which has been
recommended by the Commission on Educational Credit and Credentials
of the American Council on Education. The numbers of units allowed
are those recommended in the Guide to the Evaluation of Educational
Experience in the Armed Services and the National Guide to Educational
Credit for Training Programs.
